

FIND YOURSELF

*"The gap between where you are
and where you want to be is only
closed by action on your part!"*

FIND YOUR FUTURE...

Students... Find Yourself

DISCOVER is a computer-assisted career information and guidance program designed to increase self-understanding by helping you...the student...

1. assess your interests
2. to rate your aptitudes &
3. to prioritize your values.

By learning more about yourself you will be better prepared to make satisfying choices about your future.

With *DISCOVER*...you can explore as many career alternatives as you like.

Upon selection of an occupation, you may ask any of the questions listed below:

1. What do these people do?
2. Where do they work?
3. What kinds of tools do they use?
4. What is the work setting like?
5. What are some related occupations?
6. What are ways of getting training?
7. Is special licensing needed?
8. What personal qualities are needed?
9. What school subjects would help?
10. What is the salary range nationally?
11. What do people like/dislike?
12. What is the employment outlook?
13. How is the occupation likely to be affected by technology or change?
14. Is it confined to specific seasons or geographic locations?

*"A career of a lifetime
shouldn't take a lifetime to
locate!"*

Students... Find Your Future

DISCOVER helps you to review a national data file containing a list of four-year and two-year institutions and graduate and professional schools.

Some of the information included in the educational file concern:

1. Majors available and/or program of study.
2. Cost: Tuition and fees.
3. Size of enrollment.
4. Geographic location.
5. Admission policies.
6. Control or Affiliation.
7. Type of community.
8. Housing.
9. Minority representation.
10. Sex ratio.
11. Special features.

Operation of the *DISCOVER* program is easy! No special training or experience is necessary. You will be guided through the program. At every point, the computer provides questions or instructions on the monitor, which are written in simple, everyday language.

The *DISCOVER* user is always in control. Although the complete program can take up to two hours, you can leave the system at any time and return later and resume the program, review past uses, or revise previously entered information. You can print a record of your interaction with *DISCOVER*. This provides a valuable report for future reference or for use with your counselor or academic advisor.

*ACT NOW...Schedule an appointment with the Career Center at DCCC for computer time on the *DISCOVER* program.*

All DCCC students: full-time, part-time, adult basic education, external studies and outreach AND alumni are encouraged to use the *DISCOVER* program FREE.
